October 16, 2008

**METROPOLITAN PLANNING ORGANIZATIONS
REGIONAL TRANSPORTATION PLANNING AGENCIES**

Dear Executive Directors:

**Subject: Revised actual 2007/08 Regional Surface Transportation Program (RSTP) and
Congestion Mitigation and Air Quality (CMAQ) Apportionments**

The revised actual distribution of RSTP and CMAQ apportionments for Federal Fiscal Year (FFY) 2007/08 are attached for your information. These distributions are made in accordance with Sections 182.6(b) and 182.7(b) of the California Streets and Highways Code (S&H).

California's apportionments are pursuant to federal authorization act: The Safe, Accountable, Flexible, Efficient Transportation Equity Act: A Legacy for Users (SAFETEA-LU). The revised actual apportionments are based on federal Notice 4510.683, Revised Supplementary Tables, that are available online at:

<http://www.fhwa.dot.gov/legsregs/directives/notices.htm>.

Regional Surface Transportation Program – Attachment I

The statewide RSTP totals reflect a two percent set aside for State Planning and Research, and a deduction for the Transportation Enhancement Program. The distributions include the pro-rata distribution of Equity Bonus (EB) fund as specified in Title 23 United States Code (USC), Section 105(c).

The RSTP totals reflect a pro-rata \$500,000 deduction for the Cooperative Training Assistance Program (CTAP). The CTAP is a State-Local Subsidized training program for public employees in the transportation field and administered by the University of California. Information regarding training courses available through CTAP may be obtained by contacting the Institute of Transportation Studies at (510) 231-9590.

The RSTP apportionments comply with S&H Code 182.6(d), which requires RSTP apportionments to equal or exceed 110 percent of FFY 1990/91 Federal Aid Secondary (FAS) funding and to equal or exceed FFY 1990/91 Federal Aid Urban (FAU) funding adjusted by population.

Congestion Mitigation and Air Quality – Attachment II

The final adjusted CMAQ totals for 2007/08 reflect a two percent set aside for State Planning and Research and includes the pro-rata distribution EB. CMAQ apportionments are distributed based on non-attainment area population and pollutant factors.

Unobligated Balances

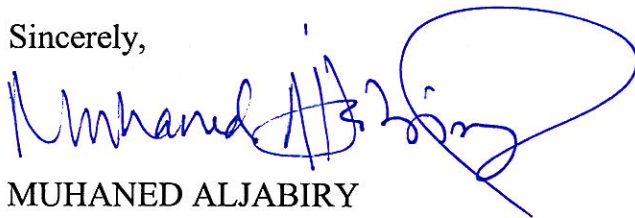

The California Department of Transportation (Caltrans), Division of Local Assistance will adjust regional unobligated balances as necessary. The status of unobligated funding is available on the Caltrans' website at:

<http://www.dot.ca.gov/hq/LocalPrograms/AB1012/ab1012.htm>.

For information on unobligated balances, please consult your Caltrans District Local Assistance Engineer.

If you have any questions regarding these apportionments, please contact Jody Tian at (916) 654-2853.

Sincerely,

MUHANED ALJABIRY

Chief

Office of Federal Transportation Management Program
